

*Dear Admissions Committee,*

*It is my pleasure to recommend Ethan for admission to your college. I had Ethan in my 11th grade math class. He was a strong student, worked well with others, and impressed me with his consistent effort.*

*In addition to taking a challenging course load during junior year, Ethan took part in the Amnesty International Club and contributed to the school newspaper. He wrote a compelling article about the current state of civil rights in America.*

*Ethan has my strong recommendation for college. He's bright, motivated, and has strength of character. I'm sure he will do great things. If you have any questions, please feel free to contact me at [cantbebothered@gmail.com](mailto:cantbebothered@gmail.com).*

*Sincerely,*

*Shirley Rushed  
Math Teacher  
Abrupt Academy*
